**ADDENDUM NO. 3**

**TO:** All Prospective Bidders

**SUBJECT: BID NO.:** 8148-0/17

**TITLE:** Polo Shirts

**BID OPENING DATE:** Wednesday March 21, 2012, at 2:00 P.M. (see below)

This Addendum is and does become a part of the above mentioned bid.

Please note the following change(s):

Change bid opening date to: Wednesday, April 4, 2012 at 2:00 P.M.

Remove Paragraph 2.6 and replace with the following revised Paragraph 2.6.

**2.6 METHOD OF AWARD: To Multiple Vendors (Revised)**

**Group 1:** Awards will be made to the two (2) lowest priced responsive, responsible bidders on an item-by-item basis for items 1 thru 22 (General County Use). Items 23 through 29 will be awarded to all bidders awarded any other item in group 1.

**Group 2:** Awards will be made to the two (2) lowest priced, responsive, responsible vendors who submit an offer on all items identified in Group 2 (MDFR) and whose offer represents the lowest price when all items are added in the aggregate.

An Item is defined as all associated and noted sizes of the same particular article of clothing (i.e. Sizes S-XL and 2XL, 3XL...etc.).

While the method of award prescribes the method for determining the lowest responsive, responsible vendor, the County will award this contract to the designated lowest vendor as the primary vendor and will award this contract to the designated second lowest vendor as the secondary vendor respectively. If the County exercises this right, the primary vendor shall have the primary responsibility to initially perform the service or deliver the goods identified in this contract. If the primary vendor fails to perform it may be terminated for default and the County shall have the option to seek the identified goods or services from the secondary vendor. During the term of the contract, the County may also make award to the third lowest vendor as tertiary if the primary and secondary vendors do not perform.

Award to multiple vendors is made for the convenience of the County and does not exempt the primary vendor from fulfilling its contractual obligations. Failure of any vendor to perform in accordance with the terms and conditions of the contract may result in the vendor(s) being deemed in breach of contract. The County may terminate the contract for default and charge the vendor re-procurement costs, if applicable.
